RE: **DUE FOR 1st QUARTER GRADE

May 15th, 2026

Assalamu Alaikum to all incoming Middle school and high school students and Parents,

This will be counted as a big part of your child's first quarter grade, we will not accept any sort of excuses for not completing these tasks, ample time is being given.

I am excited to have you as a student in the coming year. To ensure that you retain all the amazing progress you have made in your current grade, you will be assigned work this summer on Khan Academy. You will need to use your Al Ihsan School email to log into Khan.

This work will be graded in the first quarter of the 2025/2026 school year, and will be a SIGNIFICANT portion of your grade for the first quarter. Please take this work seriously. We will be jumping right into the material when we begin, so teachers need you to be ready and refreshed for the new material by reviewing this year's current information. I hope you all have an amazing summer!

Current 5th Graders: You MUST Master 90% of 5th grade math.

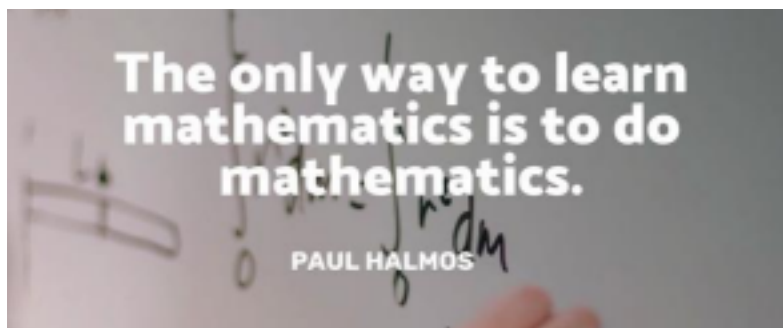

Current 6th graders: You MUST Master 90% of 6th Grade math.

Current 7th Graders: You MUST Master 90% of 7th grade math.

Current 8th graders: You MUST Master 70% of Algebra 1.

Current 9th Graders: You MUST Master 70% of Getting Ready for Algebra 2

If you have any questions about this assignment please email the Director of Middle and High school at a.harris@alihsanschools.org.

Mrs. Harris
