

Al Ihsan School of Excellence

**Summer Reading Program 2026-2027
For Students Entering KG through 5th Grade**

Assalamu Alaikum Parents and Guardians,

This summer we will be sending home a Summer Bridge Activities Workbook with each student who will be entering grades KG - 5. Students must return the completed Summer Bridge Activities Workbooks at the beginning of the school year for **credit towards their 1st quarter grade**. Please help your child complete the Summer Bridge Activities workbook by slowly working through it during summer break.

Summer Bridge Activities Workbook

The workbook is the core of your child's summer learning program. It has two pages of fun activities for each weekday of the summer and supports your child's skills in language arts, reading, math, science, social studies, fitness, and character development. Skills your child learned last year are reviewed toward the beginning of the book. Skills for the year to come are introduced toward the end. Encourage your child to use the workbook's bonus features. Cut out the flashcards from the back of the book and thread them onto a ring or keep in a zip-top bag so you can take them on the go. Let your child use a star sticker to show that each day's activities are complete.

Summer Reading Library Programs

Reading for pleasure is one of the best ways for your child to keep thinking skills sharp. Visit your local library often and encourage your child to read each day.

- **City of Cleveland residents:** Cleveland Public Libraries have a Summer Lit League. Visit your local branch or cpl.beanstack.org/reader365 for more information and registration.
- **All other cities:** Cuyahoga County Public Libraries have a Summer Reading Challenge. Visit your local branch or cuyahogalibrary.beanstack.org/reader365 for more information and registration.

BOOK IT! Summer Reading Program – Earn Free Pizza

To make summer reading even more exciting, families can also participate in the Pizza Hut BOOK IT! Program, a national reading incentive program that rewards children for meeting monthly reading goals. Parents can register their child online at www.bookitprogram.com and track their reading throughout the summer. When students meet their reading goals, they earn a FREE one-topping Personal Pan Pizza from Pizza Hut.

This is a fun, motivating way to help your child build consistent reading habits at home while enjoying a delicious reward.

Let's get started! Your child is on the way to a summer full of fun and learning!

Wishing you a wonderful summer!

Sincerely,

Amal Saleh
